Any information obtained within the last two (2) weeks shall be shared immediately and the arbitrator may rule on allowing it or not. Both parties agree that the award of the arbitrator shall be final and binding. If at any step of the formal grievance procedure, the grievant fails to adhere to the time lines required for appeal or if no appeal is made, the grievance shall be considered settled at that step and shall be considered final and binding on both parties.

The cost of the arbitration shall be paid by the losing party.

- E. The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after April 30th of any year and strict adherence to the time limits may result in hardship to any party, the BOARD shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

Whenever illness or other incapacity of the grievant, his/her immediate supervisor, the Superintendent, or members of the Board prevents their presence at a grievance meeting, the time limits shall be extended to such time that the parties can be present. Grievance meetings and conferences will generally be held after school hours. Any grievance filed during the term of this Agreement shall be processed through the grievance procedure until resolution.

- A. In the event that the BOARD determines that a reduction in force is necessary, it shall give written notice to the ASSOCIATION ten (10) days before implementing such reduction.
- B. The following procedure shall be followed in a reduction of force:
 - 1. The Superintendent shall recommend to the Board the teaching area (Math, P.E., Guidance, Early Childhood, Etc.) in which the reduction shall be made and the number of teachers shall be laid off.
 - 2. When one or more Employees are to be laid off because of substantial change in the size or nature of the student population, or unavoidable budgetary limitations the Superintendent may request a meeting with the Association president to discuss the cuts to be made. This meeting will involve identifying the program areas requiring reduction. Once the areas to be cut are identified, the district school board shall retain Employees at a school or in the school district based upon education program needs and the performance program areas requiring reduction as determined by the BOARD. The Employee with the lowest performance evaluations must be the first to be released: the Employee with the next lowest performance evaluations must be the second to be released: and the reductions shall continue in like manner until the needed number of reductions has occurred. In the event that a tie occurs using the evaluation ranking in any program area being cut, contract status, seniority, certification, and educational attainment may be

used to break the tie. A district school board may not prioritize retention of Employees based upon seniority. Section 1012.33 (5), Florida Statutes.

- C. The following procedures shall be followed in the event the BOARD determines that a recall will be made:

 3. No new employees shall be hired in a laid off teacher's teaching area until all laid off teachers of that teaching area have been recalled or have declined to accept recall.
 4. Laid off teachers shall be notified of a recall by certified letter to the teacher's last known address. Teachers notified of recall shall have fifteen (15) days from the mailing of the recall letter to accept the recall. Failure to respond to the letter of recall within the time required, automatically terminates the teacher's right of recall.
 5. The recall period shall not extend beyond one (1) calendar year.
- D. Any teacher who would have qualified for retirement during the reduction year shall be permitted to work that year so as to acquire needed service.
- E. Any teacher laid off under provisions of this section may;

 2. Accept other employment.
 3. Be terminated by the BOARD only for just cause during the lay off period.

The BOARD shall contribute \$600 toward the monthly cost of the individual group medical insurance for all full time teachers effective January 1, 2018-and continuing through December 31, 2018 Any Teacher providing proof of an annual "Wellness Exam" (Annual Physical) will receive an additional incentive payment of \$20. Full time teachers shall be defined as those eligible for inclusion in the state retirement system. Members of the unit will be responsible for the additional monthly cost to be deducted from their pay. This agreement will remain in effect until December 31, 2018. The Board's contribution is deemed waived, if the member does not enroll in the selected group medical insurance plan. Also, a six (6) member insurance committee will be established. Membership will consist of (2) members selected by GCTA, two (2) members selected by the NCF&O, and two (2) members selected by the Board. The purpose of the committee is to review and analyze the insurance plan and costs each month. Said committee shall also investigate cost saving measures and make recommendations to the Superintendent and the GCTA concerning such savings. The parties shall negotiate plan design, benefits, costs, and contributions annually. The school district will add a payroll deduction slot for a Pre-Tax Section-125 Plan administered by VALIC or another appropriate Board approved vendor with no additional cost to the District. This will allow teachers who use the district's insurance program to pay for their share of the premiums with pre-taxed income, essentially allowing them to take home more pay equal to the income tax they would have had to pay on the insurance premiums.
- B. The Maximum Step for all Annual Contract Teachers will be Pay Level-19. The Maximum Pay Level for all other teachers will be Pay Level-21 for BA, Pay Level-22 for MA, Pay Level-23 for SP and Pay Level-24 for DOC. Any teacher who obtains their Maximum Pay Level will retain that Pay Level for their entire period of

uninterrupted service to Glades County Schools.

1. The terminology Year of Experience Increment will be replaced by Pay Level and Pay Level will refer to salary increases, not necessarily connected to a teacher's years of experience.
 2. A new employee's initial placement on the salary schedule is the exclusive right of the Glades County School Board. This process will be based upon an employee's work experience, credentials, critical needs of the District and the conditions of supply and demand in the job market. This process will be open to public scrutiny and comment during the Board's deliberation-
 3. The printed/published Teacher Salary Schedule will be formatted by the District, and it will contain all elements reflected in the Contract.
 4. Implemented for 2017-18 only:

 - b. Please see Instructional Salary Schedule 2017-20 for details of teacher compensation. All Salary Schedule changes are effective as of Day-99 on the School Calendar for the 2017-18 School Year
 - c. The Board Approved Teacher Salary Schedule for 2017-20 reflects a \$2,700 increase at the Base Step-0 and teachers are migrated from their existing Step to a new Pay Level. The NEW Pay Level shall be 3 less than their existing Step. Because of the \$2,700 increase at the Base, the maximum salary for each contract type and degree status is increased by \$300.
 5. Implemented for 2018-19 only:
 - a. Provide a \$500 one-time Longevity Salary Increment to teachers, who were at the last Step on the Salary Schedule for 2016-2017 effective Day-01 on the School Calendar for the 2018-19 School Year.

For Terminal pay purposes under this provision, sick leave accrual shall be capped at one-hundred-twenty (120) days for teachers whose date of employment is July 1, 1988 or after. It is expressly understood that this provision shall not limit the total accrual of sick leave by any teacher.

- (a) During the first three years of service in the district – 35%
- (b) During the next three years of service in the district – 40%
- (c) During the next three years of service in the district – 45%

3. The degree must be in the employee’s field of certification and/or assignment or in related field approved by the Superintendent. (Example: An elementary certified and assigned teacher could earn a Master’s Degree in Reading). However, advanced degrees in Educational Administration, Supervision, Management, etc. are specifically excluded from this provision.
4. Course (s) must have prior approval of the Superintendent.
5. A receipt indicating the amount paid for the course(s) must be submitted. The reimbursement shall be the actual amount of the tuition paid or the resident tuition rate established by the State University System of Florida, whichever is less.

7. The employee must earn at least a “C” grade in the course(s) or “P” if graded pass or fail.
8. The Board may for budgetary concerns limit the number of employees and /or courses reimbursed under this provision. Should this action become necessary, employees shall be notified prior to taking a course.

H. Wages shall be negotiated each year for the term of this contract. Any change in wages so negotiated shall become effective on July 1 of each year, provided that agreement is reached each year by December 1. If not, the effective date shall be negotiable. However, no teacher covered by this contract shall receive any change in wages for any succeeding year until and unless such change has been agreed to and ratified by both parties.
